Dear: _____

There is a problem with your warfarin/coumadin care. We have not been able to speak to you and have not received any blood (INR) results recently.

We wish to tell you that unless you contact us, we will no longer be able to help you in managing your anticoagulation. Please realize that there are potentially serious risks involved in taking warfarin/coumadin without careful monitoring.

Please contact us as soon as possible at (800) 4046.

Thank you,

Carla S. Huber, RN MS
CAT Clinic Coordinator
